

# Apple Valley Gun Club

## Announces

### The First 3D Target

## Archery Shooting Tournament

Come out and get your inner hunter on. Sunday August 26, 2012, from 8:00 am to 12:00 pm. A nominal entry fee of \$5.00 gets you on the range for a morning of fun and competition. The entry fee will go to Apple Valley Gun Club for target maintenance. Individuals will be combined in groups of four and will shoot at various targets laid out somewhat like a golf course. Scoring will follow the IBO plan where hits can score 11, 10, 8, or 5 points for each shot. A miss counts as zero. A shot on a scoring line scores the higher of the two score areas. Once all four archers have completed their shot on a target, and the range is cleared, you will retrieve your arrow and score your shot and then move on to the next target. For questions, or to reserve a spot, please contact George Ellison at (818) 585-5759. You may also reach George by email at [george@4mailservice.com](mailto:george@4mailservice.com).

This event is sponsored by the Apple Valley Gun Club

The event will begin at 8:00 am with a review of rules along with a safety briefing. You must be present for the safety briefing to participate in the event, so try to be on time so we can get the event kicked off before the day gets too warm. This is an outdoor event, so don't forget your sunscreen and water. Come out and enjoy the fun!
