- Indoor Range - CJ Caruth: the indoor range was professionally cleaned. Hundreds of pounds of lead was taken out. CJ will put together a program to maintain a cleaning schedule.
  - Junior Pistol-CJ Caruth: Jr Pistol got to use the clean range first! The program is going well.
  - Junior Rifle-Ray Jameson: Orientation is the 2nd Thursday of next month by reservation. The program is going well.
  - SASP-Tim Neubauer: The meeting time on Saturdays has changed to 2pm. The team is coming together nicely. They are developing a logo and starting to record scores.
- Rifle Range- Jason Myskow: He needs to put some new paint on the steel, but it is holding up well. Please don't put clay pigeons on the range and not clean them.
  - CMP-Alex Montenegro: Matches are the first Saturday of every month. He has had an influx of new shooters, which is great. CMP pistol shoots were approved by the club and he will make sure it gets announced prior to the event. He was also approved for an indoor range event. Fun stuff coming up in 2020.
- Trap Range- Gary Menser : Trap is shooting 6 times a week; the gate is open for this. This Saturday is Team Double Wobble. Also, the 5 Star Jr. Trap team event is January 18th; come out and support our youth. Trap Ranges will be closed for the Jr. event. Gary went over pricing for shooting trap.
  - CRSO report: RSO class on January 25th. You do need to be recommended by a range chair so if you are interested, get with one.
- Archery Range- Ray Jameson: Open archery is the 1st and 3rd Saturday of the month. Kids shoot for free. Instructors are there to help out.
- Facilities - Tim Smith: The next clean-up day is the 19th. Reminder that we don't have anyone building targets. If you are at pistol range, please don't shoot the frames and put them in piles. Put scrap wood over by the connex. Targets are behind the clubhouse if you get to the range

and there aren't any. Tim will get with the BOD to see about hiring someone to do targets.

-monthly sign-In drawing winner = Richard Pope!

-Member inquiry re: bathrooms on pistol range. Tim said there is still a temporary construction easement on our property. Caltrans keeps putting it off and we can't do anything until we get that property back from Caltrans.

### **Other Reports**

- Merchandise-Ray Jameson: There is more stuff on order such as hoodies and T-shirts. There are a limited number of hat pins that he dug up. The new big item is the challenge coin where all proceeds go to the Jr programs. Any ideas on merchandise, let Ray know.
- Education and Training-Tim Neubauer: We had good classes this past month. Tim went over the classes coming up. New schedules are at the back table.

### **OLD BUSINESS -**

1. Jennifer Tornero: Banquet reminder, Jan 15th is the last day to get tickets. She needs more volunteers to run games.
2. Tim Smith: Access Card System- Back in Sept 2018 this discussion started. He got a bid in October that has floated from committee to committee. Tim is now making a Motion NTE \$40,000 for a contract with Hi-Desert Alarm to include card access to the gate, all common-coded locks, and storage connexes. This is contingent on BOD approving a committee to oversee and keep the process going. Tracey seconded the motion. Discussion was held with the membership regarding different costs and phases, and what is the difference in what the member will experience. Tim gave more details to the membership. Extensive discussions with questions/comments presented by the membership. Jonathan asked Tim if he would entertain an amended motion. Further discussion held among the membership. Membership asked for a vote on the current motion. Vote held. 1 in favor. Motion fails. Thank you, Tim, for all your hard work!!

### **NEW BUSINESS**

1. Jerry Laws addressed the membership, he is running for Congress.
2. Diana Roederer: Diana went over upcoming RSO class. The Range Specific Training Team is looking for RSOs specifically for the 3rd Saturday of every month. Diana also did a re-cap of safety for the previous month (good and bad): Safety issues were better this past month. She mostly sees guns pointed in an

- unsafe direction on the shooting bench. Reminder, the only safe direction is down range. Attitudes have been great, and she is pleased with the help she is getting from members when she calls them. Attitude means everything at AVGC! She would like to recognize 1 shooter a month for excellent gun handling skills. This month is Seth Shell! Seth is awarded a challenge coin.
3. Introduction of new members. Motion to accept the new members made by Gary. Seconded by Deborah. All members in favor of accepting the new members. Motion passes. Jonathan didn't have to go over financials because we take credit cards now and everyone was already paid! Diana went over probationary requirements.
  4. 50/50 raffle with half the proceeds going to the Scholarship Fund-Winner!!

Ed made a Motion to adjourn. Seconded by Jennifer.

Meeting adjourn 9:15 P.M. Whew!

Respectfully Submitted,
