- Indoor Range - Kyle Butts: (Absent)
 - Junior Pistol-CJ Caruth: Reminder that the firing line is not moveable! Use the ventilation. Coaches and RSOs needed for Jr. Pistol.
 - Junior Rifle-Ray Jameson: Ray really needs volunteers! Ray went over regular schedule including orientation.
 - SASP-Tim Neubauer: SASP started last Saturday. Tim explained the program. He showed off a picture of the athletes!
- Rifle Range- Jason Myskow: Everything is going great. The new steel is still holding up well. The frames are doing what they are supposed to do. Check out calendar for events.
 - CMP-Alex Montenegro: Alex explained the program in detail, including the different shoots they have-service rifle and pistol events. Check out the calendar.
- Trap Range- Gary Menser: Send Woody love for the speedy recovery of his wife. Gary went over the calendar of events and costs. If you want to shoot by yourself there are voice calls on both fields. You do need a key! To get one, come out a couple of times and show the Mayor you know what to do! Gary briefed on the Jr. Program.
 - CRSO report: Gary explained where the incident reports are on the ranges. Diana advised there is an RSO class coming up. The club will pay for the class at no charge to you if you sign the RSO agreement. Diana explained the requirements in the RSO agreement.

- Archery Range- George Ellison: George went over the calendar of events and costs, all of which are on the calendar. The Fall Vegas shoot is in progress. 3D shoot coming back soon. George championed the archery range. Due to the break-in, the archery range lost bows and other equipment so open archery will be first come first serve.
- Facilities - Tim Smith
 - Lance no longer works for us so we are actively searching for a replacement. Tim is asking the range chairs to cover their ranges in the meantime by keeping things clean. If anyone is interested, we will refer them to Labor Finders; the job description is there. Jonathan has the information to contact Labor Finders if anyone wants it. This person cannot be a member and is not employed by the club.
 - Last month we voted to supply water. In 1 month we have gone through ½ of a pallet so it seems to be working out.

OLD BUSINESS -

1. Jennifer-Banquet reminder: There is a change of location this year. Banquet will be held at Empire Banquet Hall. The change is due to our event falling on Valentine's Day weekend. The good thing is that the Hall does just about

everything! Early bird tickets will go on sale from 11/1-11/30 for \$45. Normal tickets on sale from 12/1-1/15 for \$50. The cut off for ticket purchase is Jan. 15th due to the Hall needing 30-days notice for food. The price increase this year is because all soda is included with dinner, last year you had to pay for soda. There will be a cash bar with the most expensive drink being \$7. Feb. 15th is the banquet. Diana announced if you have anything you would like to donate, get ahold of Jennifer.

NEW BUSINESS

1. Diana Roederer: Re-cap of safety concerns for the previous month: Since remote range monitoring began, she has seen a number of issues. She implored the membership to do better and if they see something, say something. She gave examples of the things that she has seen -terrifying things-. The membership is the eyes of the club. It's not confrontation to say something, it's about teaching the right way!
2. We have a new website! Check it out.
3. Introduction of new members. Motion to accept the new members made by Gary. Seconded by Ken. All members in favor. None opposed. Jonathan went over the financial commitment and Diana went over probationary requirements.
4. 50/50 raffle with half the proceeds going to the Scholarship Fund. YAY Jason Myskow wins!

Motion to adjourn by Diana. Second by Richard. All in favor.
Meeting adjourned 8:04 P.M.

Respectfully Submitted,
Dina McKinney, Director
