Reports

Treasurer- Jonathan Weldy

1. Report on account balances to include Business Checking, Capital Account, Money Market Account, and Scholarship Account. Jonathan advised members to buy raffle tickets to build up the scholarship account.
2. Public Advisement to the Membership: There is a member that is extremely concerned about our tax status and income reporting detail. We are 501(c)(7), Tax-Exempt Social Club. The member is specifically concerned about the reported percentage of revenue that is non-member related and could trigger an audit. An unfavorable audit could result in the possible loss of our tax status. Jonathan is putting this matter on record, following up the member's concerns, he has discussed this matter with AVGC's CPA, our attorney, the BOD, the Executive Committee, as well as the Finance Committee. Jonathan is satisfied with their answers and our current income and expense reporting. He does not want any members to think we are not being transparent or taking member concerns seriously. Jonathan asked the membership present if anyone is concerned about this. No member came forward. Jonathan offered, if any member is concerned about any part of this issue, please talk to him directly.

 - Women on Target 8/29- We need volunteers. The sign-up sheet is at the table
3. Sheriff approved CCW re-qualifications at the range! Tomorrow night is the first run through. Tracey explained the process for registering. Walk-ins are not allowed!

President-Diana Roederer

Range Reports

- Pistol Range- Ed Swan: Check the calendar for events. It will tell you every match and event on the pistol range. It's a good habit to check the calendar before you come to the range anyway to make sure you are not driving a long way to get here only to find you cannot shoot because there is something going on. Also, Hunter's Ed is looking for additional instructors.
-SASP-Tim Neubauer: No report
- Indoor Range - CJ Caruth: He painted backstop red and there has been only one stray bullet since!
-Junior Pistol-CJ Caruth: CJ acknowledged the Jr. Pistol team and praised William Hardy as the newest Distinguished Expert of the Jr. Pistol Program! We will properly present him with his certificate once the Jr. Programs come back.
-Junior Rifle-Ray Jameson: Ray is revamping Jr. Rifle and will roll out a new program once the Jr. programs open again.
- Rifle Range-Jason Myskow: Everything is going well except the 380-target got hit with something pretty big and knocked the jam loose and it is sideways. He might paint some red too.
-CMP-Alex Montenegro (absent): Diana acknowledged and thanked Alex for the 4th of July BBQ that he put together. Thank you, Alex! Thank you, Gary, for cooking!
- Trap Range- Gary Menser: Everything is going well. They are shooting 6 days a week. Gary went over pricing. Reminder that the first point of contact for any range is the range chair which is Woody for the trap

range. Reminder that the gate is open for all shoots that are on the calendar.

-CRSO report: Gary thanked all the RSOs, especially this week with the 3 events happening. There is an RSO class coming up in August. You must be referred by a range chair for the class.

- Archery Range-Sandy Oberlies: She is the new range chair! They held their first open archery this past Saturday and she realized some issues she has, so she will be getting some supplies. They are only allowing adults right now until the Jr. programs can open. Sandy went over times and dates for archery and advised on the new Extended Archery program to increase skills and move towards tournaments.
- Facilities - Tim Smith(absent): Dina advised the members to keep the bathroom doors closed and use the keypads. We do not want wild animals or a bunch of dirt getting in there.

Other Reports

- Merchandise-Ray Jameson: He has long sleeve t-shirts, hats, cooling towels, and challenge coins. Due to the COVID shut down, our print company was down so he will get short sleeve t-shirts when he can.
- Education and Training-Tim Neubauer: The BOD just added a few Basic Pistol classes to the calendar. The class fee has been reduced to \$50 for the rest of the year. Look at the schedule/website.

Special Report

- David Smith with a Legislative Update: David gave a detailed update. Thank you, David! Not too much has changed since last month, but there were a few things and David went over them. This will be posted to the website every month as well. Tracey told the members to become aware of what is going on in Sacramento. Stay knowledgeable and vote. Tracey recommended the CRPA and the SB County Gun Owners Association.
