- Archery Range-Sandy Oberlies: Sandy is stuck at work. Diana reporting for Sandy. Looks like Archery will be fully opening soon. The core instructors have been trained. We will be going back to the 2nd & 4th Saturdays instead of 1st & 3rd Saturdays to accommodate more coaching availability. We need to have an arrow fletching party because most of our adult sized arrows are damaged such that there is not enough to run an open archery event yet. We will be doing that soon. We expect to open sometime within the next month. 4/24 is likely too soon & May 8th is Mother's Day. It might not be until 5/22, but the actual date is still up in the air. She is compiling a list of contacts to notify when we have an official date. If anyone has names with Phone/Email addresses, please forward them to her and she will add them to the list. brekkeso@gmail.com. USAA is changing their training model in the next few months. It will be online soon with the practical portion in person. Once the new system comes up, we will schedule a new instructor's training for those interested in becoming certified. Contact Sandy to be added to the list of those who are interested.
- Facilities - Tim Smith: Tracey asked if we have noticed the trees that have been planted around the Range and thanked Tim Smith. Tim reminded us the work party is this Sunday and will be followed by Orientation. He reminded all to be aware of your target and what is beyond. Our new target bases are rapidly becoming damaged. If there is a target base behind your target... PLEASE MOVE IT!
