

APPLE VALLEY GUN CLUB

Safety Committee Meeting Minutes

July 21, 2021

Called to Order: 6:00 p.m. Pledge of Allegiance recited by all in attendance.

In attendance: Jenaraye Graham, Diana Roaderer, Jason Myscow, Jennifer Tornerio, Sandy Oberlies, John Burke, Ray Jameson, Tracey Graham, Allen Rutledge, Cris Armington

Old Business:

- Jenaraye discussed the professionalism and expectations of the Safety Committee, stressing professionalism and decorum during meetings. Reminder that our goal is to teach safe gun handling, and discipline is only a last resort.

Close Call/Incident reports:

- No new reports. Of the four outstanding reports, three of the individuals have been counselled by Jenaraye and/or Tracey, and the individuals in the fourth report cannot be identified.

Range Reports:

- Facilities-Tim Smith: Absent; no report
- CRSO-Gary Menser: Absent; no report
- Pistol Range-Diana Roederer/Jennifer Tornero: No issues, except it was noted that the freezer may be defrosting. Diana to follow up.
- Trap Range: No representative, no report.
- Rifle Range-Jason Myskow: Still waiting on the steel for the 500 yard target. Jason asked if anyone knew anything about an extra camera for the range. Tim is not available to respond.
- Indoor Range-Kyle Butts/Ray Jameson: Kyle absent. Ray said Rod Ison has agreed to take over Jr. Pistol, but won't be available until January. Kyle is going to try to get something started before then.
- Archery Range-Sandy Oberlies/John Burke: Sandy noted the inventory of the Archery range has been completed, except for the arrows. Noted there is apparently a shortage of straw, and that the only place that has straw bales and can deliver only has a few left. Bales are \$11.00 each including delivery, and she needs 50 bales.

New Business:

- Discussed the BOD workshop thoughts regarding increasing the cost of our Basic courses from the current \$50.00 to \$100.00. Members will receive a \$25.00 discount. Diana will make the changes to Eventbrite.
- Tracey briefed the committee on the changes to the CCW Program, with the Sheriff's Department once again doing all initial classes AND initial qualifications.

Open Discussion: None

Adjournment: 6:53 PM

Respectfully Submitted,

Tracey Graham
