## **Safety Committee Meeting Minutes**

September 15, 2021

**Called to Order:** 6:10 PM

**In attendance:** Jenaraye Graham, Tim Smith, Jason Myskow, Jennifer Tornero, , Tracey Graham, Jonathan Weldy, Gary Menser, Tim Neubauer, Jody Patterson  
**Absent:** Kyle Butts, Ray Jameson, Diana Roderer, Sandy Oberlies

### **Old Business:**

- Discussed an outstanding (August 19) Close Call Report on the Pistol Range. Tracey tried to get the video, but was unable to retrieve it. Jenaraye will contact the member tomorrow and call him in for a hearing. (Following the meeting, Tim and Jenaraye were able to locate the video, which will be used for the hearing.)

### **Close Call/Incident reports:**

- No new reports.

### **Range Reports:**

- Facilities-Tim Smith: Work continues on insulating the pistol shack and installing the heat-pump. Tim reported that Bill Stephens had told him the concrete contractor for repairs at the gate has withdrawn his bid. Bill will be meeting with a different contractor next week.
- CRSO-Gary Menser: No issues that he's aware of except a verbal report of a member on the trap range muzzling others.
- Pistol Range-Diana Roederer/Jennifer Tornero: No issues. There are plenty of targets in the conex.
- Trap Range: See CRSO comments
- Rifle Range-Jason Myskow: No issues.
- Indoor Range-Kyle Butts/Ray Jameson: No report.
- Archery Range-Sandy Oberlies/John Burke: Sandy asked that the committee be aware there will be an archery Instructor class this weekend.

**New Business:**

- Gary asked for clarification on who needs to have background checks, CPR, Abuse Prevention Training and Sexual Harassment Prevention Training. It was suggested that it be put on a spreadsheet. Tim Neubauer will take the lead on this.
- Tim N. and Jenaraye presented the Class schedule for the coming year, with Lead Instructor assignments.
- Tracey briefed the members on the request from Victor High School for assistance in forming a Clay Target League. One of the teachers had spoken to Gary about it. They have been invited to attend the Jr Trap meeting on Sep 22.
- Tim N briefed the members on electronic sign-in capabilities, and provided a demonstration of the equipment. The Committee agreed it looked good, and for Tim to move forward with a funding request from the Membership.
- The speaker system on Pistol Bay 1 has been upgraded. Much more efficient.

**Adjournment:** 7:20 PM

Respectfully Submitted,

Tracey Graham
