Old Business:

- No old business.

Close Call/Incident reports:

- Jason discussed an incident on the rifle range where a guest pointed a loaded rifle at Jason, and at himself. We have the video, and the member will be called to a hearing.
- Sandy identified a member with two guests who left the Archery shack unlocked. While checking video, she also identified unsafe behavior. Tim will get video for her, and she will call the member to discuss.
- It was brought up that A Girl and A Gun has scheduled/calendered activities at Route 66 Shooting Range, and has for the past two months, at the same time and day they have our range reserved and blocked off. To free up our range for our members, it was decided to remove their events from our calendar. The VP will notify AG&AG.

Range Reports:

- Facilities-Tim Smith: Gates are back to normal after the installation of the concrete aprons. No issues overall
- CRSO-Gary Menser: None
- Pistol Range-Jennifer Tornero: No safety issues. A member has offered to donate a new (used) refrigerator to the range. More to follow.
- Trap Range: None
- Rifle Range-Jason Myskow: Nothing other than the incident.
- Indoor Range-Kyle Butts/Ray Jameson: Working on getting new lights.

- Archery Range-Sandy Oberlies/John Burke: Discussed the incident.

New Business:

- As a result of an incident report from August 19th, a hearing was held for one member and one guest. Video was reviewed, and safety concerns pointed out. The member and his grandson will attend Basics of Pistol Shooting class, and the member will attend RST for Pistol and the next Range Safety Class.
